PhotonicsViews

Short description

PhotonicsViews is the leading European trade magazine for all optical technologies and the official publication of Photonics Germany and the German Society for Applied Optics (DGaO).

Target group are the decision makers for investments in laser, optics and photonics, users and developers from industry and research as well as management personnel and buyers. The magazine reports on photonic systems and components, their functions, their production and, above all, their application, especially those of industrial laser technology. In addition to technical innovations and highlights from research and development, business news from optics, photonics, laser and medical technology, equipment engineering, and tool making are also featured.

Each issue contains technical articles and application reports on selected key topics. Powered by the leading scientific publisher Wiley and its portfolio and included in WileyIndustryNews.com, PhotonicsViews is the platform for high-quality and referenceable publications in the B2B sector, and a partner of expert conferences such as the AKL Congress or the Stuttgart Laser Technology Forum SLT, or LAF.

As part of a media partnership, the member companies of the European Photonics Industry Consortium EPIC belong to the permanent readership of PhotonicsViews.

Wiley makes no guarantees as to the number of visitors to any Wiley site or digital product or the number of impressions at any Wiley site or digital product, unless such guarantees are expressly made in writing by Wiley in the Booking Confirmation. Any ‘impression goals’ or the like provided are non-binding. Online Advertising described in the Booking Confirmation as ‘100% sponsorships’ will not be subject to any impression or viewability guarantees.
- 12. Wiley will provide reporting at the end of the Online Advertising campaign, or otherwise as requested within a reasonable time of request, to give details of Online Advertising performance (i.e. impressions, clicks). Real time transparency of campaigns can be managed by the Customer by using Google Ad Manager.

13. Unless specifically set out in the Booking Confirmation and agreed in writing by Wiley, Online Advertising will not be behind a registration barrier. The Customer acknowledges that Online Advertising placed on Wiley Online Library will be viewable by both subscribers and non-subscribers to Wiley Online Library. For the avoidance of doubt, Print Advertising may be viewable by non-subscribers to journals or periodicals.

14. In relation to Online Advertising to be included in email alerts to subscribers and other authorised users of Wiley's products (“Email Alerts”), Wiley cannot guarantee the send date of any Email Alert advertising unless otherwise expressly agreed in the Booking Confirmation.

15. The sole remedy for any failure by Wiley to provide any Advertising, is that the Customer will be provided with a period of Online Advertising or additional Print Advertising in an equivalent placement and for a set period of time as determined by Wiley. Wiley will not be responsible for any failures that are not caused by Wiley. Wiley cannot guarantee that such ‘make-up’ bookings can be made in the month following the initial Advertising period.

16. In submitting Advertising to Wiley, the Customer warrants and represents that:

- (a) publication of any Advertising (including any Advertising copy that is created by Wiley on behalf of the Customer which has been approved by Customer) in the manner set out in the Booking Confirmation will not breach or infringe any copyright, patent, trademark, trade secret or obligation of confidentiality or privacy, any law of defamation or obscenity, or any relevant law or regulation concerning advertising or promotions, including any medical advertising laws, industry codes or regulations;

- (b) the Customer has the right to grant the licence to Wiley to use the Advertising as contemplated by these Terms;

- (c) the Advertising is accurate, truthful and non- deceptive and does not violate any laws regarding false advertising;

- (d) the Advertising does not violate any other applicable law, statute, ordinance or regulation, including without limitation any laws and regulations governing export control;

- (e) the Advertising is not and does not contain content that is lewd, pornographic or obscene, excessively profane, racist, ethnically offensive, threatening, infringing, excessively violent, libellous, gambling-related, or promote any discriminatory activity, promote illegal drugs or arms trafficking, create a risk to a person's safety or health, compromise national security or interfere with an investigation by law enforcement officials or is offensive, misleading, deceptive or destructive, and does not promote, advocate or facilitate terrorism, terrorist-related activities or violence;

- (f) Online Advertising does not create, facilitate the creation of or exploit any security vulnerabilities in a user's computer, promote programs which compensate or provide incentives to users for clicking ads or offers, performing searches, surfing websites or reading emails or contain viruses, trojan horses, worms, time bombs, cancelbots or other harmful or deleterious programming routines whether similar or dissimilar to the foregoing; and

- (g) Customer has obtained written consent to display the name or image of any living person in any Advertising.

17. The Customer acknowledges that in relation to Advertising, Wiley makes no representation or warranty (i) that any publication of any Advertisement will be confined to persons resident in various countries (ii) of the exact number of page impressions that will be delivered, (iii) regarding the quality of reproduction of the Advertisements; or (iv) as to the availability of any Online Advertising site or digital product.

18. In addition to the Terms, the following clauses of the standard terms and conditions of the Interactive Advertising Bureau for Media Buys of Less than One Year (“IAB Terms”) will apply to all Online Advertising services, with Wiley being the ‘Media Company’ and Customer being the ‘Agency’ and ‘Advertiser’ (unless the Customer is a media agency booking advertising on behalf of a customer in which case it will be the Agency, with its customer being the Advertiser):

- (a) Section II (Ad Placement and Positioning);
- (b) Section IV (Reporting) (excluding clause IV(b));
- (c) Section XII (Non-Disclosure, Data Usage and Ownership, Privacy and Laws)
- (d) Section XIII (Third Party Ad Serving and Tracking)

In the event of any inconsistencies between the IAB Terms and these Terms, these Term will prevail, to the extent of the inconsistency.

The Customer must provide a Purchase Order or return the Reprint Quotation and provide all relevant details in order to submit an order for producing the Reprint and in doing so, the Customer agrees to be bound by these Terms. Wiley may issue a Booking Confirmation to confirm the Order.

The Reprints must not be amended or modified in any way after delivery.
